### PRO-LIFE

#### Magnitude and Scope of Abortion

The US has lost about 1.2 million soldiers in all of its wars since the Declaration of Independence in 1776. In a much shorter time since 1973, we have killed about 50 times as many pre-born babies. Also, abortion has cost the US about 120 times as much as all American wars have.

Who could have predicted this wide scale slaughter of innocent life that goes on, day in day out? Who would have guessed that abortion would be de-criminalized, protected by governments and proudly promoted and funded by governments and corporations?

Who would have guessed that some schools and colleges would promote this, imagined that churches would remain silent and that school officials can and do send minors for abortions without parental consent? Who would have guessed that the media moguls would despise and oppose all who valiantly come to the defense of innocent life?

How did we get to this position? How did we become so callous and how can "civilized people consider their God given children as disposable? There is nothing in human history to equal this massive slaughter.

### CHRIST'S RESURRECTION AND OURS

992 God revealed the resurrection of the dead to his people progressively. Hope in the bodily resurrection of the dead established itself as a consequence intrinsic to faith in God as creator of the whole man, soul and body. The creator of heaven and earth is also the one who faithfully maintains his covenant with Abraham and his posterity. It was in this double perspective that faith in the resurrection came to be expressed. In their trials, the Maccabean martyrs confessed:

The King of the universe will raise us up to an everlasting renewal of life, because we have died for his laws. One cannot but choose to die at the hands of men and to cherish the hope that God gives of being raised again by him.

993 The Pharisees and many of the Lord's contemporaries hoped for the resurrection. Jesus teaches it firmly. To the Sadducees who deny it he answers, "Is not this why you are wrong, that you know neither the scriptures nor the power of God?" Faith in the resurrection rests on faith in God who "is not God of the dead, but of the living."

### STEWARDSHIP AWARENESS

*"...Rather, we wanted to present ourselves as a model for you, so that you might imitate us."*

2 Thessalonians 3:9

Most people who live a grateful and generous lifestyle don't go around bragging about it. But through their actions and words, others do take notice. They notice because of the joy and peace that results and other people desire this in their own life. Know that the way you live your life may be the only interaction others have with the Catholic faith.
