PRO-LIFE

Sadly, Planned Parenthood celebrated its 100th anniversary. The following is an excerpt from an article describing this horrible occasion. "Planned Parenthood was founded 100 years ago (10/16/1916) in Brooklyn N.Y. Its century of history is worth looking at, for the public can be forgiven for confusion between the organization liberals providing essential services for women, and the scandal-ridden eugenics group that performs abortions on an industrial scale. Planned Parenthood was founded by Margaret Sanger, who preached a form of social Darwinism that shaded into and helped inform the fascist movement. "More children from the fit, less from the unfit," she said. Today, Planned Parenthood performs some 324,000 abortions a year, roughly one every two minutes, disproportionately on black women and their unborn babies. Planned Parenthood clinics have been implicated in covering up statutory rape, Medicaid fraud and the targeting of babies for abortion based on race and sex. Last year, a pro-life undercover group produced a series of videos containing substantial proof that clinics broke federal law by harvesting the body parts of aborted babies for profit. That scandal continues, even as you read this. Just this week, the district attorney in Orange County, California, sued two human tissue companies for profiting from fetal tissue. It was Planned Parenthood that provided the tissue." To read the entire article visit website. <http://www.washingtonexaminer.com/one-hundred-years-of-death/article/2604605>

DEVOTION TO THE BLESSED VIRGIN

In the meantime the Mother of Jesus, in the glory which she possesses in body and soul in heaven, is the image and beginning of the Church as it is to be perfected in the world to come. Likewise she shines forth on earth, until the day of the Lord shall come, a sign of certain hope and comfort to the pilgrim People of God.

IN BRIEF

- 973 By pronouncing her "fiat" at the Annunciation and giving her consent to the Incarnation, Mary was already collaborating with the whole work her Son was to accomplish. She is mother wherever he is Savior and head of the Mystical Body.
- 974 The Most Blessed Virgin Mary, when the course of her earthly life was completed, was taken up body and soul into the glory of heaven, where she already shares in the glory of her Son's Resurrection, anticipating the resurrection of all members of his Body.
- 975 "We believe that the Holy Mother of God, the new Eve, Mother of the Church, continues in heaven to exercise her maternal role on behalf of the members of Christ"

STEWARDSHIP AWARENESS

"But Zacchaeus stood there and said to the Lord, 'Behold, half of my possessions, Lord, I will give to the poor, and if I extorted anything from anyone I shall repay it four times over.'" Luke 19:8
We are all called to graciously give back to the Lord in proportion to the blessings we have been given. This means everyone isn't called to give the same amount, but is called to give equal sacrifice. No amount is too small or insignificant! Open your heart, how is God calling you?
